

Ju Lee Thomas, BSc (Hons) FCCA
Company Accountant

In 1993, Ju Lee Thomas graduated from the University of Sussex with an honours degree in Mathematics. After training with Enron Europe Ltd and BDO Stoy Hayward, one of the top five accounting firms, she qualified as a chartered certified accountant in 1999.

Working within practise, Ju Lee gained extensive experience of preparing accounts and performing analytical reviews for owner-managed businesses and SMEs in a variety of industry sectors. After qualifying, she worked with an IT consultancy company based in the City of London as the company accountant and company secretary.

After relocating to Kent, she worked as the accountant and company secretary for a locally based nursing and care agency.

Having taken a career break to start a family, Ju Lee has returned to work part time for Ecologia. Her role as company accountant is to support the directors as the company continues to grow. Her main duties include overseeing the production of management information for the UK directors and the Group and ensuring that the company complies with statutory tax and accounting regulations. She also liaises with the company's auditors over the annual audit and tax planning and compliance and deals with the company's bankers. Ju Lee also monitors financial KPIs and the company's cashflow.
