

Quality Policy

It is the vision of **Ecologia Environmental Solutions Limited** to be **EXPERTS on the Ground**, providing **KNOWLEDGE LED, SMART SOLUTIONS** to address the needs of our clients.

We aim to achieve this by:

- Putting our clients at the centre of our activities; understanding and meeting their needs and expectations; providing competent advice and high quality professional services; and maintaining open and honest lines of communication.
- Establishing and operating three core Service Lines: **Remediation Contracting**; **Environmental and Geotechnical Consultancy**; and **Environmental Claims** to provide effective management of client relationships and development of key accounts.
- Implementing an effective, risk-based, management system that meets the requirements of **BS EN ISO 9001:2015** and complying with all relevant statutory and regulatory requirements.
- Valuing our staff as our greatest asset. Providing a positive working environment that encourages professional development and rewards success.
- Demonstrating visible leadership and ensuring staff at all levels understand the importance of the **Integrated Management System** and their contribution to its effectiveness, and ultimately, the success of the Company.
- Setting measurable objectives, reviewing our performance and continually striving to improve our business processes to ensure that we provide efficient, high quality services that support the growth of the Company.
- Reviewing our Quality Policy to continuously reflect the purpose, vision and values of our organisation.
